Website Child Protection Statement

St Ambrose Parish Church regards child protection and good working practice as a priority. In the interests of the safety and well-being of all children and young people, it has developed and operates a formal child protection policy.

The church is committed to ensuring that everyone working with children or young people:

- ✓ Has undergone a Disclosure Barring Service (DBS) (previously known as CRB) check at enhanced level.
- ✓ Is adequately trained and supervised.
- ✓ Understands and follows the church's child protection policy.

The child protection policy may be viewed on our website and/or a copy obtained from the Parish Office.

As part of this church's commitment to children and young people, it has appointed Natasha Green as Under 18s Co-ordinator. All the children and young people involved in activities within the church know who she is and how she can be contacted.

Should the church have any child protection concerns it will seek the advice of the Diocese Child Protection Advisors and where appropriate contact the statutory authorities.
